MEMORANDUM FOR: Deputy Director for National Foreign Assessment  
FROM: Director of Central Intelligence  
SUBJECT: Polar Regions Atlas

Please pass the word to those responsible that the Polar Regions Atlas is an excellent piece of work. Because I have been to the South Pole I found it especially fascinating.

In fact, I think so highly of it that I intend to pass copies to the President, Vice President and Dr. Brzezinski as an example of the high quality of our work and an item of special interest.

pleased - "As good as  
reading a National Geographic"  
he said of your atlases  
in general* ST
